## #DEATHOFJUSTICE RALLY

TUESDAY

31 OCTOBER 2017

5.30PM START

DEVONSHIRE GREEN  
TO SHEFFIELD LAW COURT

The Orgreave Truth and Justice Campaign have called this “Death of Justice Rally” to mark the one year Anniversary of Amber Rudd’s shocking decision not to hold any form of inquiry into the infamous “Battle of Orgreave” where 95 miners were “beaten up, fitted up and locked up”.

The Orgreave Campaign see it fitting that this decision was made on Halloween as we all know it’s the old monsters and ghosts of the Tory party who where responsible for the injustice then, that deny us justice now, 33 years later.

We encourage you to join us on this Halloween night to rally against the evil of the past and present! Fancy dress optional but encouraged!
