

ORGREAVE

TRUTH AND JUSTICE CAMPAIGN

Dear xxxxxx

The 35th anniversary of the 1984-85 miners' strike has and will produce a range of events and activities throughout Britain celebrating and commemorating the epic struggle. Many of these events will have an input or presence from the Orgreave Truth and Justice Campaign. Please visit our web page for more information:

For over six years the Orgreave Truth and Justice Campaign has gone from strength to strength campaigning for a public inquiry into state organised police brutality used against striking miners at Orgreave in June 1984. This Conservative Government continues to refuse any kind of inquiry, so we continue with our vibrant and high profile campaign. We have a commitment for an inquiry in the Labour manifesto when Labour are elected to power and we have mass support from the Labour and Trade Union movement.

We are writing to you to appeal for funds to support our ambitious activities. All our funding comes from activists and the Labour and Trade Union movement either through donations or buying our fundraising merchandise. We really appreciate all the help and support we get. However, we need to carry on fundraising to continue with our campaigning and our fantastic work.

Please consider making a donation.
