"The granting of political equality to women does not change the actual balance of power. The proletarian woman ends up in the proletarian, the bourgeois woman in the bourgeois camp. We must not let ourselves be fooled by Socialist trends in the bourgeois women's movement which last only as long as bourgeois women feel oppressed."

Clara Zetkin 1896

"...the emancipation of working women is a matter for the working women themselves."

Lenin 1919

"Extension of the rights of women is the basic principle of all social progress"

Fourier 1841
