Since our last anniversary rally an Orgreave Inquiry was announced in July 2025 and launched in March 2026.

We now need to make sure the inquiry delivers the truth and justice so long overdue.

Please bring along your banners, placards, family, comrades and friends and march with us through Sheffield and support our call for truth and justice for striking miners brutalised by the state at the Orgreave Coking plant on 18 June 1984.
